

FUTURE GOLFERS OF AMERICA

Partner Packet 2025 Launch / 2026–2028 Partnership Term

Dear Community Partner,

Thank you for taking the time to learn about **Future Golfers of America (FGA)**. As a registered 501(c)(3) nonprofit organization, FGA was created to open doors for talented and passionate young golfers who have the drive to compete but whose families cannot afford the rising costs of lessons, equipment, or tournament play.

Your partnership makes this possible. By becoming a Champion, Legacy, Visionary, Community, or Impact Partner, your organization directly supports deserving youth who demonstrate commitment, skill, and leadership potential — but lack access to the resources they need to pursue the game.

Together, we're not just helping kids play golf—we're creating life-changing opportunities for young athletes who might never have had a chance. Many of our youth come from broken homes, low-income neighborhoods, and communities where golf has never been accessible. Through your support, they are given more than equipment or lessons; they are given hope, purpose, and a pathway to a future they never thought possible.

FGA partnerships are designed to create long-term stability and measurable impact. Multi-year commitments allow us to plan programs and events that make a lasting difference, while annual renewal options remain available for first-year supporters.

All partnerships — one-year or three-year — secured in late 2025 include recognition for the remainder of 2025 and full visibility through 2026, including the 1st Annual FGA Charity Golf Tournament in Spring 2026.

On behalf of our entire team, thank you for considering this opportunity. Your support helps make the game of golf more accessible, inclusive, and inspiring for the next generation of athletes who deserve a chance to rise.

With appreciation,

Bartholomew Herrera
Founder & Executive Director

Partnership Opportunities (2026-2028)

Becoming a partner of **Future Golfers of America (FGA)** is more than a sponsorship — it's an investment in opportunity. Your support directly advances our mission to make competitive golf accessible to talented youth who might otherwise never have the chance to play.

Each partnership includes year-round recognition across FGA programs, communications, and digital platforms, plus visibility at the 1st Annual FGA Charity Golf Tournament – Spring 2026 in San Antonio, Texas. Partnerships secured in late 2025 cover the remainder of 2025 and all of 2026–2028, with annual renewal and recognition each year. All inaugural partners will also be honored as members of the FGA Founders Circle — a distinguished group of early supporters whose leadership helped launch this mission and expand access for deserving young golfers.
