# BATTLE OF THE BANKS

EVENT EXPERIENCE • EVENT SCHEDULE • PRIZE HIGHLIGHTS

## 1 EVENT EXPERIENCE

Gather your team of six and join us for Battle of the Banks, a high-energy Topgolf competition built around friendly rivalry, networking, and giving back. Teams will compete in a structured TopContender Tournament with live scoring, three hours of gameplay, lunch buffet, beverages, prizes, raffles, and the chance to take home the Battle of the Banks trophy.

### SUPPORTING SAN ANTONIO YOUTH

Funds raised support San Antonio youth through Future Golfers of America's local FGA Pathway Program. FGA stands behind talented competitive junior golfers from underserved and underrepresented communities right here in San Antonio, helping close financial and access gaps so these young athletes can train, compete, gain visibility, and pursue opportunities that may lead to college scholarships, elite amateur competition, and future pathways in golf.

This is more than a team outing. It is an opportunity for San Antonio's banking community to come together, compete for bragging rights, and help young golfers fight for a future in the sport.
